Guest 2 – So am I!

Guest 3 - Definitely!

Presenter – Okay then, Let's get on with today's show!

(Introduction finishes)

(Review Section begins which will last for 6 minutes)

Presenter – Today's film we will be reviewing is Marvel's Logan. The film's release date for the UK was March 1st 2017 and this film has received positive reviews since its release.

Presenter – The story takes place in the far future. The main protagonist Logan (played by Hugh Jackman) is looking after a

sick and elderly professor x (played by Patrick Stewart) in the Mexican border.

He meet's an unlikely ally called Laura (played by Dafne Keen) whom is similar to Logan in many ways. Logan eventually discovers that dark forces want to capture her and use her for evil purposes.

(Questions)

Presenter – What did you think of the film's storyline?

Presenter – What was your favourite part of the film?

Presenter – Did you think we got to see Logan develop more in this film?

Presenter – Who do you think was the best character in the film and why?

Presenter – And, finally what improvements do you think the film should of made?

(End of Review Section)

(News section Starts and will last for 5 minutes)

Presenter – Now, its time for the next section, which is talking about news in the film world!

(Presenter begins asking questions for the news section)

Presenter – Have you seen the trailer for Blade runner 2049 and are you going to see it when it releases in cinemas.

Presenter – At this year’s Oscars, ‘La La Land’ accidentally won best picture and it was actually ‘Moonlight’ that won that category. What are your opinions on this infamous moment at the Oscars?

Presenter – The next Star Wars film is coming out in December of this year, are you going to see when it releases in cinemas and what are you looking forward to seeing in the franchisees upcoming instalment?

(News section ends)

(Logan Fact Section begins which will last for 10 mins)

Presenter - For this section of the show, I will be telling you 10 facts about Logan aka Wolverine and you have to guess if it is true or false?

Presenter - (Fact 1) - Logan made his first appearance in 1974 in the Incredible Hulk comic

Presenter - (Fact 2) - His real name isn't actually Logan, it's James Howlett

Presenter - (Fact 3) - He is not just apart of the X - men, he is also apart of the Avengers too

Presenter - (Fact 4) - There was a crossover between star trek and the x -men. Logan challenged spok to fight and lost

Presenter - (Fact 5) - He has a clone of himself called x - 23. She was originally intended to destroy Logan but eventually fought along side the x - men

Presenter - (Fact 6) - The creator of Logan originally intended the character to be a mutated creature instead of being a human

Presenter - (Fact 7) - Russel Crowe was originally approached to play the character instead of Hugh Jackman

Presenter - (Fact 8) - The design of Logan was inspired by legendary actor Clint Eastwood. Frank Miller a comic book writer shares the credit for Logan's design.

Presenter - (Fact 9) - Frank Miller is also credited with creating one of Logan's iconic catchphrases which is 'I'm the best there is at what I do, but what I do best isn't very nice.'

Presenter - (Fact 10) - Hugh Jackman stated that his newest film he was in will be the last time he will play Logan before he is replaced with a new actor

(End of Logan fact section)

(Upcoming section begins which will last for 4 minutes)

Presenter – For our upcoming section today, we will be discussing upcoming film's that are expected to take the box office by storm.

(Questions asked by presenter for guests in
Upcoming section)

Presenter - Firstly, the Nolan brothers released their last film in 2014 called 'Interstellar' that was met to critical acclaim. This year they are back with a film called Dunkirk that is set in time period of World War Two.

Are you looking forward to their next biggest release and do you think it will be as successful as some of their past releases?

Presenter – Thor is back on film screens later this year. The next film is called Thor ‘Raganrok’ and it tells us what happened to Thor after ‘Avengers Age of Ultron’.

Do you expect this film to be the best one yet?

Presenter - The third instalment of the Kingsman franchise will be in cinemas in September.

Will Matthew Vaughn’s franchise continue to be successful and what would you like to see in his upcoming film.

(End of Radio Script)
