

## Music Video by Sammy GN

### Story Production

#### Beginning of story

The story will be about a boy thinking of his girlfriend who is currently away from him. In the beginning of the music video, he will sit down on a bench and take out his phone and message his girlfriend to ask how she is.

He then looks at the the sky and the song will begin from their.

#### Middle of story

In the middle of the music video, he will walk to two places that will remind him of the time he spent with his girlfriend. The first will be a river bank and the other one will be a park. When he goes to these locations he will look at a two flowers that remind the male character these two flowers were her favourite and thats what he remembers about her.

#### End of story

Towards the end of the music video, he will begin to walk home. His girlfriend then appears behind a tree and waves to him. He is surprised by her return and they walk back home together. The music video will end from here.
