

Breakfast by

Sammy Gabrria-Nivas

Scene 1 - Day INT. McDonalds

A static screen effect occurs and shows a BBC news anchor telling the audience that Britain has decided to leave the EU.

A second static screen occurs to show Nigel Farage's victory speech about Brexit.

A third static screen occurs of David Cameron talking about Brexit.

A fourth static occurs showing Theresa may talking about Brexit and how her and other politicians will figure out where Britain will go after the decision has been made

A final static occurs to show Noel Gallagher expressing his opinion to a reporter on Brexit. The camera zooms out to show the back of Samuel watching the clip on his phone

It then cuts to Samuel sighing as he continues to watch the clip

Samuel

At least the chief understands my views on Brexit at the moment. It's 2018 and people still can't get over Brexit!

Samuel

All we did was Ta ra bit to the EU and now everyone is making a mess of it!

He then has a puzzled face and realizes his phone is going off.

His phone then reminds him to leave for work

Samuel

Damn it! Oh be late for work if I don't move myself!

Samuel will then put on his jacket and bag.

Scene 2 - Day INT McDonalds and office

Before Samuel goes to work, he goes to the McDonalds counter to buy an Egg McMuffin.

Samuel

Hello there, please may I get an Egg Mcfuckinmuffin?

Sever

Yes sure

Sever gets the Egg McMuffin for Samuel

Samuel

Cheers!

Samuel then dashes out the door while eating the Egg McMuffin.

Samuel's legs are shown running, He is out of breath and is hesitating

Samuel

What's the time? Oh Great! I'm going to be late again! I hope Bruce isn't mad at me again!

Samuel then rushes to the door; he opens the handle and ends up in Bruce's Office. Bruce's face shows that he is frustrated due to Samuel being late

Bruce

This is the sixth time you've been late Samuel! My superior would have kicked me out by now!

Samuel says his line in a tired and exhausted voice as he munches down on the Egg Mcuffin.

Samuel

Sorry Bruce it won't happen again

Bruce

Hurry and take a seat

Samuel takes a seat and Bruce momentarily thinks about something

Bruce

Anyway, How are you Today Samuel? Is that an Egg Mcuffin you're eating?

Samuel

Yes it is. I was hungry so I decided to pick one up on the way to work.

Samuel Finishes eating his Egg Mcuffin and replies back to Bruce's question

Samuel

Anyway, I'm very well thank you. By the way have you heard when the dates are for discussing about Brexit's role this year?

Bruce

Oh yes! The talks are taking place at the end of March aren't they?

Samuel nods his head as he is hesitating

Samuel

Possibly

Bruce is confused as he says his line

Bruce

Possibly? Have they organized a proper date yet?

Samuel

No, the dates for Brexit talks are so disorganized. The communication between our local government and parliament is really poor. It doesn't make sense what so ever.

Bruce nods

Bruce

Definitely. Being organized is a tough job to do! Ever since breakfast the communication on dates on how it will affect local UK governments has been poor. People are paying too much attention on the reaction of Brexit and are not focusing on how it will affect the UK. It doesn't help that muppet politicians steal the limelight and the media is focusing on their thoughts about Brexit.

Samuel agrees with Bruce's opinion

Samuel

Yeah! The best example I can think of is Nigel Farage! Since brexit! He and his muppet party are getting involved and making things even worse!

Bruce

Yes! He's turned our ordinary and decent lives. Into nothing but trash!

Bruce

But enough of breakfast talks for now! Samuel, you know why you are here today!

Samuel's face becomes confused

Samuel

Yes, why am I here?

Bruce

Do you want to know?

Samuel

Yes?

Bruce

You are being moved from your job in our local government, to have a job in parliament!

Samuel's face becomes shocked upon hearing this fact and he shouts as he says his line

Samuel

What!

Bruce

Oh yes you are! I'll ring up your line manager martin, so he can be here to explain your promotion.

Bruce throws his phone in his hand and dials a number

Martin Comes in

Martin

Hello Samuel! Did Bruce just tell what I think he told you?

Samuel hesitates as he says his line

Samuel

Yes sir

Martin

Good! We have thought for a while about whom we would like to promote to take on the job in the national government. And we choose you!

Bruce

Yes! The decision was hard and tough. But in the end you were the best man for the job.

Samuel

I feel like you two aren't giving me enough details about why I'm being promoted. So, why did you choose to promote me?

Martin

We believe you can expand your abilities in the world of politics and take on much tougher jobs!

Bruce

Yes, just imagine it. You being a top politician and being in charge of breakfast talks!

Martin

Maybe, you can organize a debate in the House of Commons. To discuss If Donald duck trump should be allowed to visit the UK!

Samuel looks at his friends with an awkward and complexed face

Samuel

Okay... But I don't believe I can take on this job! I prefer doing work for our local government!

Martin

I don't think you understand. You have a once in a lifetime opportunity to have an exciting career ahead of you! Just think about all those breakfast meetings

Samuel

Sir, I don't think I will be good for this job! It's not for me! Why Brendan or Edward can't be promoted! Why can't they have the job!

Martin and Bruce look at each other in hesitation and then tell Samuel why Brendan and Edward won't be promoted

Bruce

Brendan has only just started working for our local government. But, I think he will have to wait for his promotion. We're not promoting him because he's too obsessed with Nick Clegg daddy longlegs. We both hate that moron; he failed miserably to get people to vote for him as the next prime minister. Just goes to show what a waste of time that idiot was! Until Brendan can get over of his stupid obsession with daddy longlegs, we're not promoting him yet!

Martin

Don't get me started on Edward! He's obsessed with the former labor party's leader Ed bacon sandwich! If Edward gets promoted to the national government. He'll probably end up being the leader for the labour party.

Bruce

Don't forget his favorite sandwich

Martin

Oh yes Bacon sandwich. If Edward does become a labour party leader we will need to tell him to stop eating bacon sandwiches. Otherwise, he'll end up just being on the tabloids and be a joke on the social media.

Bruce

Anyway, we don't want to promote anyone who's obsessed with terrible and idiotic former party leaders. We need someone fresh and new. So we are choosing you whether you like it or not.

Martin

By the way Samuel, our superior manager is going to come in and give you more details about your promotion.

Samuel once again hesitates as he says his line

Samuel

Why does the superior manager have to come in for? I'll end up just having a long conversation with him. He once kept me in this office for 2 hours! I don't want that to happen again!

Samuel becomes slightly frustrated after he says his line

Bruce

We don't care. This will make our talk a lot easier.

Martin

I feel the same way. It will make our lives a lot easier.

Raymond enters and opens the door while smiling

Raymond

Ahh! I'm right on time! Samuel! I assume your colleges have informed you about your breakfast promotion?

Samuel

Yes, they have given me the details about my demotion!

Raymond

Eggcellent! Now that im here everything will be much easier!

Raymond walks to his desk and sits down

Samuel's face is frustrated as Raymond sits down knowing what will happen next

Raymond

Now then, I have agreed with others that you would be perfect for this job. I think you will have an excellent career in the national government.

Samuel

Sir, I want to ask once again. Why I am a perfect candidate for this job. I prefer to stay local. Not stay in a city full of hardnosed posh pricks!

Raymond

London is a fantastic place! Yes some of the people are arrogant and annoying but Im sure you are ready to take on new challenges! You will be starting this Monday and your first task will be to organize post breakfast plans!

Samuel jumps from his chair and can no longer keep calm

Samuel

Once again, I prefer to stay in our local government! I don't want to organize post breakfast plans! Or do a debate if Donald Duck Trump should be allowed in

the UK! Besides! Why don't you three go for this  
pathetic job role instead!

Samuel walks out of the room in a heap. Raymond,  
Bruce and Martin start smiling as he exits out the  
room

Samuel stands momentarily and senses something  
strange is behind him

Samuel

What!

It then cuts to show a sign saying good luck. It then  
zooms out to show workers giving him the thumbs up

Samuel still looks in shock towards his colleagues

Samuel

Oh for f\*\*\*\*\*!

The screen will then quickly fade to black and the  
credits begin to role

End of Script
