

Shooting Script Ending Is Olympia really Juniper and Open Ending

Shot	Camera/Action	Time
1	Medium close up of Wyatt slowly looking up at Olympia and asks her if she really is Juniper.	14 seconds or more
2	Extreme close of Olympia's slowly moving her lips as she is about to say something. Next, is the same shot of Wyatt looking at Olympia as he waits to hear what she has to say. However, the screen will cut to black creating an open ending.	14 seconds or more

Extra Notes

My lecturer advised me the following when I showed him my shot list.

- If you aren't happy with a shot, take your time to do it again because it will improve your camera work.
- Take your time with the camera work and don't rush it.
- Write a shooting script, incorporate your information from your list into your script.
